## President's Message

Greetings All,

In lieu of the "President's Report" in this newsletter, I have asked Gale to forward this most recent AAUW

Mission & Action notice because it is easier than reformatting it for the newsletter. I hope you will find it as informative as I did, especially the Legal Advocacy case review. There is much to keep in mind as we go forward this year. And if you haven't done so already, please consider signing up for the public policy information to guide your own advocacy activities.
